Ejectorseat Records Proudly Presents...

In association with "Chan10

Dj / producer **AWEKID's**

'ERROR TAPE' ... Vol.1

UNDER THE PRESSURE OF THE **AWEKID** PRODUCTION RODS, THE **'ERROR TAPE'** IS SET TO BOIL WITH AN ECLECTIC BLEND OF MUSIC FROM THE LIKES OF **JEHST, TERRA FIRMA, WILDFLOWER, DJ CRAZE, THE HERBALISER** AND **DJ SHADOW**.

THE MIX IS A MUSICAL MONGRELISATION OF DJ SLIPPERZ '£10 BAG' AND DJ KRUSH'S 'CODE 4109'. HOSTED BY THE VENOMOUS **MIKEY T** AND INTERLACED WITH ORIGINAL **EJECTORSEAT** PRODUCTIONS AND FREESTYLES, THIS IS AN **AWEKID** EXPOSITION THAT RE-ALIGNS THE DEFINITION OF THE 'MIXTAPE'.

"It's a Lennox right hook wrapped in a silk boxing glove. A finely tuned mix of beat brutality and melodic delicacies. From old-skool classics to now-skool exclusives, expertly chosen cuts are torn, shredded and minced through the Awekid beat grinder releasing from them fresh potential. Disfigured fragments of tracks weave their way through a non-stop groove that underscores a new benchmark for mixtapes. The bar has been raised. A new standard has been set. You have been warned."
